*Please Join Us*

Esperanza High School will proudly hold our twentieth Annual Career Day for the entire student body. Our students feel more empowered to take on the challenges ahead if they hear how to prepare for a career from those with experience in the work force. We like to think of this as “beyond the classroom.” In the past, we have been privileged to welcome speakers from all walks of life, including firefighters, police, FBI, military, medicine, airlines, architecture, design, journalism, engineering, forensic science, law, television, film, arts, education, sales, and many others.

We continue to build our database of potential speakers from all fields to whom we can e-mail a speaker packet so they might join us. We wish to extend the invitation to YOU and all members of our community interested in sharing information about their particular profession with our students.

What to expect:

- Each presenter will speak at three, thirty-minute sessions-the presentation will be the same each time
- Students will move from session to session as interested
- A faculty member will be present in all sessions to assist the speaker
- At the end of the morning sessions, speakers are invited to join us for an informal lunch.

The schedule will be as follows:

8:45-9:15 Speaker Check-In & Continental Breakfast

9:11-9:21 Speaker Set Up

9:30-10:00 Session 1

10:08-10:38 Session 2

10:46-11:16 Session 3

11:16-12:15 Speaker Luncheon (optional)

If you or someone you know would be interested in serving as a speaker this year, please complete the information below and **return it ASAP**. If you sign up, consider yourself a “yes” and we’ll send you more information with every detail. We will add you to our database and make sure you receive a reminder notice and speaker packet.

FYI...formatting will be "strange"...not a google doc.
