

ARCHBISHOP RYAN HIGH SCHOOL

Office of the Principal

February, 2018

Dear Parents:

All of the schools of the Archdiocese of Philadelphia participate in several federal programs that provide our students with a variety of materials and services. It is one of the ways in which we receive benefits from your tax dollars. We certainly wish to receive our fair share of federal dollars in education, and your assistance is critical in supporting our efforts.

Enclosed please find a survey which you are asked to complete **and return to Mr. McFadden by the date indicated at the bottom**. Your prompt response, which will be kept confidential, is used only in reporting the numbers of students in Archdiocesan schools who are entitled to materials and services, and in no way has any effect on financial assistance you receive through the parish, school, or private programs. A parent's last name is not required on this survey.

Please return the form as soon as possible in a sealed envelope to Mr. McFadden no later than February 28th. If you have any questions or concerns about this survey, please feel free to contact either your school principal or me. Thank you for your support of our efforts in providing all students in Catholic schools with the materials and services they justly deserve through federal programs.

Sincerely,

Jodie Chan
Director of Government Programs, K-12

ARCHBISHOP RYAN HIGH SCHOOL

Office of the Principal

Dear Parent/ Guardian,

We need your help! Our school has an opportunity for the children who really need extra academic support to receive it through the Title I program under *Every Student Succeeds Act*, but we can't do it without YOU! These extra services will only come to the children if you fill out the survey below. In order to determine the funding available for this program, we must have an accurate count of children and the income level of their families. I want to assure you your privacy will be protected and no names are required on this family survey form. *Only* the address and grade levels are provided to the school district so that its staff members can determine the funding for the Title I program for the eligible children. Thank you for giving this your immediate attention.

Please return the survey no later than Wednesday, February 28th to your school's main office.
