Teacher Spotlight

Volume 1, Issue 2

August 31, 2015

Meet Mrs. Cecilia Pecararo !!!

We asked a few questions to learn more about our new PreK3 Dual Language Teacher!

Hometown: Mexico, D.F.

Favorite teaching moment: My favorite moment was when I was helping students that had fallen behind and were not passing the STARS test. It was very rewarding to watch them, as you could see the "click" happen, and they were able accomplish what they thought was impossible.

What you like to do outside of teaching: Go to church often, and praising the Lord. Spend time with my family, go to watch my kids playing sports. Go to Fuzzy's with my family on Fridays to eat shrimp tacos!

Tell us about your family: I am married to my wonderful husband Joseph, the best cuisine chef. I am a mother of two lovely sons; Kiwa 19 years old in collage and a baseball player, and Thomas who is 11 years old and in middle school.

5 adjectives that describe you best: Compassionate, Reliable, Persistent, Sincere, Passionate for learning.

A quote you live by/read often: We walk by Faith not by Sight. Do not forget my teaching, let your heart keep my commandments; for length of days and years of life and peace they will add to you. Do not let kindness and truth leave you; bind them around your neck, write them on the tables of your heart. So you will find favor and good repute in the sight of God and man. Trust in the LORD with all your heart and do not lean on your own understanding.

We are so excited and Blessed to have Mrs. Pecararo with us this year!

From the Teacher's Desk...

Mr. Matamoros will be having a meeting in the next week or two for ALL 7th grade parents, and any 8th grade parents unable to attend the Parent Meeting at the end of last year. He will discuss the Washington D.C. trip scheduled for later in the year. Don't miss out on this wonderful chance for your child to extend their education and apply knowledge in the real world. Look for an email with details on the date, time, and room this week!

Mrs. Reed reminds all 4th and 5th grade parents to initial agendas every night. This assures that you have seen all homework, any teacher notes, and behavior issues.

All teachers ask that your student's be in proper uniform during the school day. If you have any questions, please refer to the Parent/Student Handbook.

Thank You!

To our partners in education this year. We are blessed to have such wonderful people, programs, and organizations who are just as dedicated as we are to empowering the future.
