Kindergarten

Registration

If you have a child who will turn five between September second and December first, he/she will be eligible for our Transitional Kindergarten class. If your child turns 5 before September second, he/she will be eligible for our Kindergarten class. Please register your child as soon as possible as there are limited spaces in all classes.

CAASP Testing!!

Parents,
The CAASP testing window is from May 1 – May 31. All 3rd – 6th students will take this test in the classroom. It's important that our students get a good night's sleep and have a healthy breakfast each morning before the test. Please encourage them to do their best.

Spring Pictures

Spring picture packets went home with our students last week. Please send the picture packet or the money back so that the school is not charged for it.

Crazy Hair Day

On Friday, March 30th our Student Council will be having another spirit day. Students are invited to wear their hair in a wild and crazy way. Go Mustangs!

Hazel Health

Parents, Just a reminder that you can still enroll your child in the Hazel Health program. As you know, many of our students leave school early because they do not feel well and cannot focus in class. Hazel Health would be able to connect your child with a licensed doctor/provider while still at the school site to diagnose the situation, give medical advice and if necessary prescribe medicine. We hope you take advantage of this wonderful opportunity for our families. If you need another registration form, please call the office at (916) 649-5200 and we will send another one home with your child.

Healthy Kids Survey

California Healthy Kids surveys were sent home with your child a few days ago. This survey is anonymous and is an opportunity for you to help our school by sharing your honest opinions. Please take a few minutes and complete it either by going online or returning the copy we sent home. We really appreciate the support you give our school!

Our fifth and sixth grade students would like to extend an invitation for you to attend their production of Disney's Aristocat Kids. It will be held in the Robla multipurpose room on March 28th at 6:00 p.m. We hope you will come out and see what an amazing group of performers we have.
