

BOARD OF EDUCATION

NORWALK - LA MIRADA UNIFIED SCHOOL DISTRICT

MINUTES OF THE MEETING OF

April 11, 2016

The meeting was called to order by the President at 6:30 p.m. in the Board Room, 12820 Pioneer Blvd., Norwalk, with all members present, except Margarita Rios.

Board Members Present: Mrs. Karen Morrison, President
Mr. Sean M. Reagan, Vice-President
Mr. Darryl Adams, Member
Mr. Chris Pflanzer, Member
Mr. Jesse Urquidi, Member
Ms. Ana Valencia, Member

Administrators Present: Dr. Hasmik Danielian, Superintendent
Dr. Albert E. Clegg, Assistant Supt., Educational Services
Mr. Estuardo Santillan, Assistant Supt., Business Services
Mr. Wayne Shannon, Assistant Supt., Human Resources
Mr. Rob Jacobsen, General Counsel

At this time, the Pledge of Allegiance of the Flag was led by Miss Ariela Celis, 5th Grade Student at Johnston Elementary School.

2 - Administration Minutes:

It was moved by Chris Pflanzer, seconded by Ana Valencia, R-97
and carried unanimously,

That the Minutes of March 21, 2016 be adopted, as submitted.

2 - Administration Agenda:

It was moved by Jesse Urquidi, seconded by Ana Valencia, R-98
and carried unanimously,

That the Agenda for this meeting be adopted with the omission of Board Communications to maximize time for the Superintendent's Report.

HEARING SECTION

Opportunity for Citizens to Address the Board:

The President declared the Hearing Section of the meeting open and invited those in the audience wishing to address the Board to do so at this time.

There being no one wishing to address the Board at this time, the President declared the Hearing Section closed.

SUPERINTENDENT'S REPORT

Measure G Architects Update

Estuardo Santillan, Assistant Superintendent, Business Services noted that the Board would be provided with a full update on Measure G projects but that no action would be taken. Staff will provide recommendations, by project, to the Board and after reaching consensus, an action item will be developed to be voted on at the April 25th Board Meeting.

Isela Vazquez, Director, Facilities Planning and Construction, began by stating that since the January 25th Board Meeting when the architects presented their initial update, they have been meeting with stakeholders groups at the various sites. This evening, the architects will provide information on their projects, the current designs, proposed project schedules and updated cost estimates.

NAC Architecture – HVAC Installation (Administration & MPRs) & John Glenn High School Gymnasium and Locker Rooms

Leticia Ochoa, NAC Architecture, presented the scope of work for the HVAC installation projects at Dolland, Edmondson, Moffitt, and Sanchez Elementary Schools, as well as Waite Middle School.

Ms. Ochoa began by informing the Board that since presenting the initial scope of work at the January 25, 2016 Board Meeting, the three architects, as well as Mr. Santillan and Ms. Vasquez, visited the Division of State Architects (DSA) to present all HVAC projects for NLMUSD. At that meeting, DSA mandated the base scope of work which includes: installation of the HVAC units, new ceilings to conceal the ducting, new lighting conforming to Title 24 energy requirements; relocation of data infrastructure (as needed); ADA path of travel to building entrance (MPR and administration building); accessible interior doors; accessible reconfiguration of administration front counter to be ADA accessible; ADA compliant restrooms (one each: men, women, boys, girls); new windows for the administration office; and new glazing for MPR. This base scope of work would apply to all HVAC installation projects across the District.

SUPERINTENDENT'S REPORT, Continued

In addition to the base scope mandated by DSA, an analysis was done for the possibility of a full modernization of the administration buildings and multi-purpose rooms. Full modernization would include: re-configuration of interior spaces; new finishes; electrical support to technology upgrades; ADA compliant restrooms (all); and new roofing, doors and hardware.

A slide was shown with the estimated construction budgets for the five sites with a cost comparison between the base scope and full modernization.

Next, Ms. Ochoa went over the tentative HVAC installation schedule which, pending Board action, would begin in May 2016 with design development and continue with construction documentation/DSA submittal; DSA review; and DSA backcheck/approval. This schedule would allow for construction to begin (tentatively) in March of 2017.

Ms. Ochoa noted that at their meeting with DSA in February, they discussed DSA's increased workload and how it might affect the already lengthy review process. However, DSA did provide the architects with options/tips on how to best package their drawings to help expedite the process.

Next, Ms. Ochoa spoke on the JGHS modernization of the gym and locker rooms. These projects will be a full modernization. A slide was shown with the layout of the existing gym. NAC has held three meetings with the JGHS stakeholders to tour the site, discuss their needs, and priorities. Another slide was shown with the proposed design for the gym, which includes: rotating the main court to allow bleachers on both sides; increased storage; team rooms; and a parking lot and campus-accessible lobby. The design also included the addition of a weight room. The stakeholder group selected the design presented unanimously.

Next slides were shown with the existing layout and the proposed design for the boys' and girls' locker rooms. The full modernization of these areas would include a re-designed locker area with benches; increased storage; team rooms; and consolidation of rooms to allow for a better use of space.

A slide was shown with construction budgets for the full modernization of the John Glenn High School gymnasium with the weight room (\$6,666,900), as well as the full modernization of the boys' (\$1,350,500) and girls' (\$1,340,000) locker rooms.

Lastly, Ms. Ochoa presented the tentative schedule for the modernization of the gym and locker rooms at John Glenn. Again, pending Board action, the schedule would begin in May 2016 with schematic design and continue with design development; construction documents/DSA submittal; DSA review; and DSA backcheck/approval. This schedule would allow for construction to begin (tentatively) in June of 2017.

SUPERINTENDENT'S REPORT, Continued

There was discussion/questions regarding: The number of showers in boys' and girls' locker rooms; analysis of roofs to determine need; square footage of the proposed weight room; possibility of providing the Board with designs showing elevation/3-D rendering of the projects; in designing the locker room/restroom space, consideration for the recent development in transgender rights/privacy rights; legal requirements for the District to consider regarding privacy rights; and ensuring that the District Maintenance Department is involved in the mechanical aspects of the project designs.

DLR Group - HVAC Installation Projects & La Mirada High School Gymnasium and Locker Rooms

David Brown, DLR Group, presented the scope of work for the HVAC installation projects (administration and MPRs) at Eastwood, Escalona, Foster Road, Gardenhill, and La Pluma Elementary Schools, as well as Hutchinson and Los Coyotes Middle School. It was noted that all the HVAC projects have the same scope of work required by DSA, as outlined by Ms. Ochoa. In addition to the base scope of work, Mr. Brown would be presenting the scope and cost estimate for a full modernization.

A slide was shown with the estimated construction budgets for the seven sites with the minimum code upgrades as delineated by DSA.

Next, Mr. Brown went over the tentative HVAC installation schedule which, pending Board action, would begin in May 2016 with pre-design and continue with schematic design; design development; construction documentation; DSA plan review; and bid/negotiation. This schedule would allow for construction to begin (tentatively) in September 2017. Mr. Brown also touched on the project conditions that could affect the schedule including: infrastructure upgrades to support HVAC; upgrades required by DSA; abatement/mitigation issues; and interim housing.

Next, a slide was shown with the estimated construction budgets (per site) for full modernization of the administration buildings and MPRs. A slide with the schedule for full modernization was shown. This schedule would still allow for construction to begin (tentatively) in September 2017, but because of the increased scope of work, post occupancy would be pushed back to April/May 2019.

DLR Group is also doing HVAC installation for the entire campus at both Dulles Elementary School and El Camino High School. These projects will include upgrades to the accessibility/access to the restrooms on the entire campus. This project is further reaching which means that path of travel will also be addressed for those with limited mobility.

Slides were shown with the estimated construction budgets for both the base scope of work (as delineated by DSA) as well as a full modernization.

SUPERINTENDENT'S REPORT, Continued

Pending Board action, the schedule for the base scope of work would start in May 2016 with pre-design and continue with schematic design; design development; construction documents; DSA plan review; and bid/negotiation. This schedule would allow for construction to begin (tentatively) in December 2017. The full modernization would also begin in May 2016, with construction beginning (tentatively) in December 2017, but because of the increased scope of work, post occupancy would be pushed back to April/May of 2019.

Next, Mr. Brown presented the gymnasium and locker rooms renovation at La Mirada High School. It was noted that DLR Group held a kickoff meeting with school site staff on January 7th and have held several meetings since to gather input and gage priorities/concerns of the stakeholders.

A slide was shown with the proposed layouts for both the girls' and boys' locker rooms. The new designs include locker areas, restrooms, and coaching spaces. They also include team rooms, enlarged dance studio (girls) and a dedicated weight room (boys). A slide showing the proposed layout for the gym was also presented. The new design extended the main court area, a lobby/concession/ticket area, storage, team rooms, and increased restrooms for both spectators and students. The design presented was agreed upon by the stakeholders as the best option to meet their needs.

Mr. Brown presented the estimated construction budgets for the boys' and girls' locker room renovation and addition (boys') as well as the gymnasium modernization and expansion.

A slide was shown with the construction schedule for the gymnasium and locker room renovation projects. Pending Board action, the schedule would begin in May 2016 with schematic design and continue with design development; construction documents; DSA plan review; and bid/negotiation. This schedule would allow for construction to begin (tentatively) in February 2018.

There was discussion/questions regarding: opportunities to explore the possibility of relocating buildings with a full modernization; the intricacies involved in relocating buildings on a school campus and the possible ramifications; clarification that bond language allows for full modernization/upgrades; clarification on existing weight room at La Mirada High School; and roof replacement for the gym included in the cost estimate.

Rachlin Architects - HVAC Installation Projects, Norwalk High School Hardscape Project and Sports Fields Projects

Richard Ingrassia, Rachlin Architects presented the scope of work for the HVAC installation projects (administration and MPRs) at Nuffer, Johnston, Glazier, Lampton, Morrison, and New River Elementary Schools as well as Los Alisos Middle School (MPR only) and the HVAC replacement at Chavez Elementary School.

Slides were shown with the estimated construction budgets for the each site with a cost comparison between the base scope and full modernization.

SUPERINTENDENT'S REPORT, Continued

Mr. Ingrassia noted that Chavez Elementary is an entire campus upgrade. Because it is an older school much care will need to be taken in order to maintain the architectural integrity as it is modernized. The cost estimates for the Chavez project are higher due to the infrastructure upgrades necessary to support the HVAC installation for the entire campus.

A slide was shown with the construction schedule for the HVAC installation projects. Pending Board action, the schedule would begin in May 2016 with schematic design and continue with construction documents; DSA review; DSA backcheck; and bidding/award. This schedule would allow for construction to begin (tentatively) in July 2017. Mr. Ingrassia noted that because DSA is backlogged, they did suggest getting one individual assigned to all the schools to help facilitate the review process.

Next, Mr. Ingrassia presented the Hardscape/Landscape project at Norwalk High School. He spoke on the process taken with this project that included: preliminary site meeting with campus administration to establish project goals; multiple stakeholder meetings that included district and campus administration, faculty, staff, PTA and students; and a final design that was agreed upon by the design/stakeholder committee. A slide with the final design concept was shown and included a redesigned focal/entry point to the campus, extended walkways, lighting, seating and shading, as well as a stage area.

A slide was shown with the estimated construction budget for the hardscape project. Mr. Ingrassia presented the proposed construction schedule for this project. Pending Board action, the schedule would begin in May 2016 with construction documents and continue with DSA review; DSA backcheck; and bidding/award. This schedule would allow for construction to begin (tentatively) in May/June 2017.

Finally, Mr. Ingrassia presented the sports fields projects at Norwalk and John Glenn High Schools. Mr. Ingrassia spoke on the process, which included preliminary meetings with stakeholder groups at both sites to establish project goals. These groups consisted of district and campus administration, faculty, staff, coaches and students. The final designs presented this evening were agreed upon unanimously by these stakeholder groups.

A slide was shown with some of the design options that were presented to the Norwalk High School stakeholder group. The architects took into consideration location of the fields, optimal orientations for the various sports, parking, restrooms, and hard courts. Several meetings were held with the stakeholder group until a final site plan was agreed upon. A slide was shown with the final design plan for the Norwalk High School sports fields.

A slide was shown with the estimated construction budget for the field project at Norwalk High School and included Phase II work such as field lighting. Mr. Ingrassia recommended that the infrastructure for Phase II work be included in Phase I so as not to undo any of the work being done should future upgrades be made.

SUPERINTENDENT'S REPORT, Continued

Next, a slide was shown with some of the design options that were presented to the John Glenn stakeholder group. As with Norwalk High School, the architects took into consideration the location of the fields, optimal orientations for the various sports, restrooms, and hard courts. Several meetings were held with the stakeholder group until a final plan was agreed upon. A slide was shown with the final design plan for the John Glenn High School sports fields.

A slide was shown with the estimated construction budget for the field project at John Glenn High School that include the possible stadium work –bleachers, lighting etc. As with the Norwalk High School project, Mr. Ingrassia recommended the infrastructure for Phase II work be included in Phase I.

Next, a slide was shown with the proposed construction schedule for the field projects. Pending Board action, the schedule would begin in May 2016 with construction documents and continue with DSA review; DSA backcheck; and bidding/award. This schedule would allow for construction to begin (tentatively) in Summer 2017. The CEQA review was also included as part of the schedule and would run concurrently with the timelines for construction documents, DSA review and back check.

There was discussion/questions regarding: importance of the varied stakeholder groups to manage expectations; stage at Norwalk High School and consideration of sun angles in the afternoon; CEQA review and its effect on construction documents; the fields projects themselves are not part of the CEQA review; the possibility of building weight rooms under stadium bleachers; clarification of the type of bleachers that would be included in these projects (pending CEQA review); appreciation of allowing the sites to have input in the design process to allow for maximum use of their recreational areas; clarification on the cost for and the scope of the CEQA review process for the possible stadiums at Norwalk and John Glenn; baseball/softball fields included in the CEQA review; possible triggers that might affect CEQA review including stadium capacity and site location; and stakeholder groups prioritizing their wants/needs for field renovations projects.

Mr. Santillan introduced Mr. Tim Carty from Piper Jaffray who was present that evening to help the Board with any questions they may have in regards to how the projects presented that evening would fit into the scope of the Measure G Bond. He briefly reviewed what was voted on in November 2014; the flexibility available as to when bonds are sold and how much; capital appreciation bonds; bridge financing; and factors that trigger bond issuance.

There was discussion/questions regarding: financial penalties associated with capital appreciation bonds and bridge financing; providing the Board with the latest laws pertaining to bonds – what has changed; assessed valuation planning; how to access bond money and the timelines involved.

SUPERINTENDENT'S REPORT, Continued

Mr. Santillan presented a summary of the Measure G Phase I Projects that had been presented that evening. Several options were being presented to the Board and upon consensus; staff would build the action item to be voted on at the April 25th meeting. Option A includes the revised estimated budgets from the architects' assessments (total estimated cost: \$140,669,077); Option B includes the estimated budgets from Option A, plus the added recommended scope (total estimated cost: \$186,950,127); and Option C includes the estimated budgets from Option B, plus additional items for Board consideration including irrigation replacement, middle school field renovations, roofs, etc. (total estimated cost: \$285,886,812).

A slide was shown with the Phase I projects that were approved on March 23, 2015. The scope of work included the HVAC installation projects, the gym and locker room renovations at John Glenn and La Mirada High Schools, exterior renovations at Norwalk High School, and finally the high school sports fields.

HVAC Projects

Mr. Santillan presented two options for the HVAC installation projects. Option A is HVAC projects with the minimum requirements delineated by DSA, with an estimated subtotal of \$54,629,026. Option B is HVAC installation projects with the full modernization. The estimated subtotal for Option B is \$78,938,075. Mr. Santillan noted that staff is recommending Option B.

There was discussion/questions regarding: clarification on how projects would be presented for Board consensus; full modernization of El Camino and Dulles included in Option B.

Consensus was reached to move forward with Option B for the HVAC Installation Projects.

Gym/Locker Room Modernization

Mr. Santillan presented two options for the Gymnasium and Locker Room Building Projects. Option A is the modernization of the gym/locker rooms at John Glenn and La Mirada High School with the minimum requirements delineated by DSA. Mr. Santillan made note that those projects were developed with input and feedback from stakeholders. The estimated subtotal for Option A is \$27,152,595. Option B is modernization of the gym/locker rooms at all three comprehensive high schools (Glenn, La Mirada and Norwalk). The estimated subtotal for Option B is \$36,272,352. Mr. Santillan noted that staff is recommending Option B.

SUPERINTENDENT'S REPORT, Continued

There was discussion/questions regarding: the possibility putting a hold on the Norwalk High School modernization; concern regarding the increased costs and not wanting to incur bad financial decisions; prioritizing between gym/locker room modernizations and sports fields; projects to be staggered over a period of time; financing/bond will not be required up front; the importance of completing all projects to 100%; the possibility of a State-Wide Bond being passed in November that would help with modernization costs; fundamentally understanding what the recommendations are and looking at the long-term; having confidence in what staff is presenting; projects being presented cover several of the priorities the Board set when exploring a bond; and staggered project timelines to allow for staggered repairs in the future.

Exterior Renovation

Next, Mr. Santillan presented two options for the exterior renovation at Norwalk High School. Option A is just for the hard/soft scape at Norwalk High School. Again it was noted that this project was developed with input and feedback from stakeholders. The estimated subtotal for Option A is \$3,101,122. Option B includes hard/soft scape renovation at all three comprehensive high schools (Glenn, La Mirada and Norwalk). The estimated subtotal for Option B is \$9,303,367. Mr. Santillan noted that staff is recommending Option B.

There was discussion/questions regarding: ensuring proper timing for this project so it does not conflict with other modernization projects; and stakeholder meetings with La Mirada and John Glenn will be held to develop design based on input and feedback.

Consensus was reached to move forward with Option B for the Exterior Renovation Projects.

High School Fields

Next Mr. Santillan presented two options for the sports fields at John Glenn and Norwalk High Schools. Option A is just for the fields at John Glenn and Norwalk. It was noted that this project was developed with input and feedback from stakeholders. The estimated subtotal for Option A is \$37,786,333. Option B would include the sports fields at John Glenn and Norwalk as well as the synthetic field, track and bleachers at La Mirada School. The estimated subtotal for Option B is \$44,436,333. Mr. Santillan noted that staff is recommending Option B.

There was discussion/questions regarding: the age/use of the synthetic field at La Mirada High School and need for replacement; clarification on projects that require CEQA review and possible exemptions for existing structures; clarification on the process for moving forward with projects including – contracts, meetings with stakeholders, working with the architects, financing, Board action; financing is possible for the projects presented to the Board without exotic financing (capital appreciation bonds, bridge financing, etc.); providing the Board with a visual representation of the long-term financing timelines for the Phase I projects; and once DSA approves a project, we have four years to enter construction.

SUPERINTENDENT’S REPORT, Continued

Consensus was reached to move forward with Option B for the High School Fields Projects.

Summary of Phase I Projects

Mr. Santillan presented a slide outlining the total estimated costs for both Option A (\$140,669,077) and Option B (\$186,950,127) of the Phase I Measure G Projects. If the Board reaches consensus to move forward with the complete Option B package, the Measure G balance (including the technology backbone, technology endowment and the Benton/Corvallis projects) would be \$108,049,873.

Mr. Santillan presented a slide with possible projects for future consideration by the Board and include: elementary schools irrigation replacement; middle school field renovations, roofs, middle school locker rooms, playgrounds, and furniture. The estimated total for these projects is \$98,936,551.50.

Lastly, information was presented on the 2016 State School Bond that is being considered for the November 2016 ballot. This will be a \$9 billion Bond and if it passes, we can receive matching funds for our eligible modernization projects.

Consensus was reached to move forward the extended Phase I Projects (Option B).

ACTION SECTION

2 - Administration - Consent Agenda:

It was moved by Chris Pflanzner, seconded by Darryl Adams, and carried unanimously,

R-99

- 5 Whereas, the following named donors have volunteered to give the District unconditionally, the items indicated:

Therefore, be it resolved that said gifts are hereby accepted and letters of appreciation directed to the donors:

A check in the amount of \$200.00, donated to Eastwood Elementary School, by Eastwood PTA, to be used for the purchase of P.E./Playground Equipment/Supplies/Technology and/or other instructional needs, appearing on Page 795 of these minutes; and

A check in the amount of \$250.00, donated to Gardenhill Elementary School, by Gardenhill PTA, to be used for any educational purposes as Principal deems necessary, appearing on Page 796 of these minutes; and

2 - Administration - Consent Agenda, Continued

A check in the amount of \$1,098.54, donated to Gardenhill Elementary School, by Target., to be used for any educational purposes as Principal deems necessary, appearing on Page 797 of these minutes; and

A check in the amount of \$281.06, donated to New River Elementary School, by Target Take Charge of Education, to be used for the purchase of technology supplies, appearing on Page 798 of these minutes; and

A check in the amount of \$76.50, donated to Benton Middle School, by Medieval Times USA, Inc, to be used for 7th grade activities / field trip to Medieval Times, appearing on Page 799 of these minutes; and

A check in the amount of \$128.73, donated to Los Coyotes Middle School, by OHB Holding I, LLC, to be used for ASB, appearing on Page 800 of these minutes; and

320 Mirror Mirror Books, donated to Waite Middle School, by The Imagine Foundation, to be used for Literacy Driver Positive Behavior Intervention Program, appearing on Page 801 of these minutes; and

A check in the amount of \$500.00, donated to Waite Middle School, by Leonard A Shryock, to be used for the purchase of "Permission to Dream" books, appearing on Page 802 of these minutes; and

A check in the amount of \$500.00, donated to Waite Middle School, by City of Norwalk, to be used for the purchase of "Permission to Dream" books, appearing on Page 803 of these minutes, and

A check in the amount of \$1,000.00, donated to Waite Middle School, by Golden Trowel Norwalk Lodge #273, to be used for the purchase of "Permission to Dream" books, appearing on Page 804 of these minutes, and

- 9 That the Claims and Accounts, appearing on Pages 805 through 806 of these minutes be approved; and
- 7 That the Change Order No. 1 for School Safety Enhancements Project, Bid No. 201415-4 (informal) be approved; and That the filing of the Notice of Completion with The Stone Collector, for the School Safety Enhancements project, Informal Bid No. 201415-4 be approved; and

2 - Administration - Consent Agenda, Continued

- 16 That the Resolution, appearing on Page 807 of these minutes, authorizing acceptance of the Adult Education Block Grant Consortium funding allocation of \$370,968.00, to increase English as a Second Language and Basic Skills services in the consortium region through the Norwalk-La Mirada Adult Education program be signed and adopted.

9 - Budgetary Actions:

It was moved by Ana Valencia, seconded by Jesse Urquidi,
and carried unanimously,

R-100

That Los Coyotes Middle School's request to purchase student incentives for a total not to exceed \$750.00 from General Fund, String # #01.0-0137.0-0000-0000-8699-38-00-00-0000, be approved.

9 – Other Business Items:

It was moved by Sean Reagan, seconded by Ana Valencia,
and carried unanimously,

R-101

That the District be authorized to file Notices of Exemption (under separate cover) for the Electronic Marquee Projects at the following schools: 1.) La Mirada High School, 2) Norwalk High School, 3.) Benton Middle School, 4) Corvallis Middle School, 5) Los Coyotes Middle School, 6) Hutchinson Middle School, 7) Los Alisos Middle School and 8) Norwalk Adult School.

30 - Request for Conference and Attendance:

It was moved by Ana Valencia, seconded by Sean Reagan,
and carried unanimously,

R-102

Whereas, it is a benefit to this District and in accordance with Section 44032 of the Education Code for certain persons to travel to represent the District at educational functions:

Now, therefore be it resolved, that District representation by Head Start Staff Members Dolores Aguilar, Jacqueline Garcia and Alejandra Castillo, and 45 Parents, appearing on Page 808 of these minutes, be approved to participate in "California Science Center", April 21, 2016, Los Angeles, CA; and authorization be granted for an approximate total cost (\$45.00) for registration and other necessary expenses, to be funded from Preschool Programs, String# 12.0-9521.0-0001-2495-4300-53-00-00-0000; and

30 - Request for Conference and Attendance, Continued

That District representation by Morrison Elementary School Parents, Students, Volunteers, Community Members, Principal, Dean, Certificated Staff, Classified Staff, Temporary Staff, and Consultants, appearing on Page 809 of these minutes, be approved to participate in “Staff Recognition, Parent/Staff/Student/Community Meetings, ELAC, SSC and Volunteer Celebrations”, Morrison Elementary School, July 1, 2015 – June 30, 2016; and authorization be granted for an approximate total cost (\$2,200.00) for meals and other necessary expenses, to be funded from Morrison Elementary, String #01.0-1100.0-0000-2700-4300-19-00-00-0000; and

That District representation by Benton Middle School Students, Parents, and Staff, appearing on Page 810 of these minutes, be approved to participate in "Benton Homework Club", Benton Middle School, July 1, 2015- June 30, 2016; and authorization be granted for an approximate total cost (\$750.00) for food items, to be funded from Benton Middle School, String #01.0-0072.0-4761-1000-4300-32-00-00-0000; and

That District representation by approximately 14 John Glenn High School Student Wrestlers, and employee Chaperones Monico Enriquez, Adrian Enriquez and Juan Enriquez, appearing on Page 811 of these minutes, be approved to participate in “U.S.A. National Open”, Las Vegas, NV, April 29 – May 1, 2016; and authorization be granted for an approximate total cost (\$2,900.00) for admission fees, transportation, lodging, food and other necessary expenses, to be funded from ASB/Trust Budget; and

That District representation by approximately six (6) John Glenn High School PLTW and TCAP Students, and employee Chaperone Manny Parras, appearing on Page 812 of these minutes, be approved to participate in "Shell Eco-Marathon", Detroit, MI, April 19-24, 2016; and authorization be granted for an approximate total cost (\$4,072.87) for transportation, and other necessary expenses, to be funded from Donations (\$2,000.00) and John Glenn High School, String #01.0-7222.0-3800-1000-5220-42-00-00-0000 (\$2,072.87); and

That District representation by John Glenn High School AVID Students and Teachers, appearing on Page 813 of these minutes, be approved to participate in "AVID Picnic 2016", Norwalk, CA, May 31, 2016; and authorization be granted for an approximate total cost (\$400.00) for meals and other necessary expenses, to be funded from AVID/John Glenn High School, String #01.0-3010.0-1110-1000-4300-42-00-00-0000; and

30 - Request for Conference and Attendance, Continued

That District representation by John Glenn High School TCAP Students and Teachers, appearing on Page 814 of these minutes, be approved to participate in “Transportation Career Academy Senior Awards Banquet”, Norwalk, CA, June 8, 2016; and authorization be granted for an approximate total cost (\$700.00) for meals and other necessary expenses, to be funded from TCAP/John Glenn, String #01.0-7222.0-3800-1000-4300-42-00-00-0000; and

That District representation by Laura Glenn and Cheryl Eubanks, appearing on Page 815 of these minutes, be approved to participate in “School Nutrition Association (SNA) 70th Annual National Conference”, San Antonio, TX, July 9-13, 2016; and authorization be granted for an approximate total cost (\$5,060.00) for registration, conference meals, lodging, transportation, and other necessary expenses, to be funded from Nutrition Services, String #13.0-5310.0-0000-3700-5220-79-00-00-0000; and

That District representation by Shannon Baker, Shanon Cruz, Jenny Kim and Consultant Guillermo Mendieta, appearing on Page 816 of these minutes, be approved to participate in “Working Lunch with Math Consultant Guillermo Mendieta”, District Office, February 12, 2016; and authorization be granted for an approximate total cost (\$36.00) for meals, to be funded from State & Federal, String #01.0-3010.0-1118-2140-4300-79-00-00-0000; and

That District representation by Board of Education Members Karen Morrison, Chris Pflanzner and Darryl Adams, appearing on Page 817 of these minutes, be approved to participate in “La Mirada Mayor’s Prayer Breakfast”, La Mirada, CA, April 8, 2016; and authorization be granted for an approximate total cost (\$60.00) for registration, to be funded from Board of Education, String #01.0-0000.0-0000-7111-5220-79-00-00-0000, String#01.0-0000.0-0000-7114-5220-79-00-00-0000 and String #01.0-0000.0-0000-7113-5220-79-00-00-0000.

9 - Contracts/Agreements:

Board Member Darryl Adams requested information regarding contract items 10 f-g. Assistant Superintendent Estuardo Santillan provided information on these items.

It was moved by Darryl Adams, seconded by Sean Reagan,
and carried unanimously,

R-103

That the Contract with the Los Angeles County Office of Education, on file in the Business Office, be approved and signed, to provide Lampton Elementary School with multimedia services. This Agreement is effective March 15, 2016 through June 30, 2016. Services will continue at a rate of \$1 per student; for a total amount not to exceed \$680 and will be paid from LCFF; and
