School Description

Bridges Charter School is committed to providing high quality effective Common core State Standard- based education for all children using a Whole Child model, whereby each individual student is challenged, engaged, supported healthy and safe.

Bridges Mission Statement

Our mission is to educate the whole child using a combination of innovative curriculum and instruction along with social/emotional education embedded in the program. Students will be enabled to reach their innate intellectual, creative, and leadership potential through our commitment to nourish curiosity, compassion, independence, resourcefulness, and respect for diversity.

Bridges Vision

Our vision is to create a K-8 learning community in which all teachers, parents, and students partner to support the cognitive, emotional and social success of our students; where there exists positive, respectful and peaceful collaboration; and where children are enabled and empowered to become lifelong learners and compassionate global citizens.

CORE Academy's Mission Statement

The CORE Academy (grades 6-8) at Bridges Charter School seeks to build character and ignite a passion for inquiry, inspiring students to become intrinsically motivated while enthusiastically engaging in their education. The CORE Academy is where students live their whole education.

CORE Academy's Vision

Learning is an active joyful process of discovery; academic excellence is demonstrated by depth of conceptual understanding; there is a focus on project-based learning; attention to cultural themes contributes positively to community while bringing students into meaningful communication, conflict resolution, and shared leadership; and we are committed to reflection, evaluation, evolution, and innovation as means to improve teaching and learning.

Homeschool Program

Bridges Homeschool provides a program for families who share the Whole Child philosophy and wish to homeschool their children under the guidance of a credentialed supervising teacher. Students have the opportunity study at home and also participate in the unique nurturing environment of Bridges in an array of experiences including field trips, assemblies, performing arts and outdoor education. The program allows each student to receive individualized, differentiated instruction. The parent works with the supervising teacher and student to tailor curriculum and content delivery methods to the individual needs, learning styles and interests of the student. Students work at the grade level that is most appropriate to his or her abilities in each subject area which allows students to stretch their intellectual abilities and avoids setting them up for failure. Students are closely monitored to ensure that they work at an adequate and appropriate pace.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	53
Grade 1	46
Grade 2	49
Grade 3	53
Grade 4	54
Grade 5	43
Grade 6	47
Grade 7	38
Grade 8	35
Total Enrollment	418

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	1.4
American Indian or Alaska Native	0.5
Asian	1.4
Filipino	0.2
Hispanic or Latino	19.4
Native Hawaiian or Pacific Islander	0.2
White	72.7

English Learners	3.1
Students with Disabilities	12
Foster Youth	0

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school is currently located in a former Conejo Valley Unified School district elementary school campus under the provisions of Prop. 39. BRIDGES occupies 17 regular classrooms, one portable housing two classrooms, a portable for the library, the MPR and the administrative office space and workrooms. There are several large fenced-in fields and large sandbox housing swings and a play structure. In addition, there is a smaller separately fenced playground outside the K classrooms. There are two sets of restrooms on the main campus as well as a custodian closet and ballroom.

Since the school moved to its current location, the school has modified the physical campus by updating the main office to include a pass-through directly to the campus, added a new conference room and additional administrative workspace. The school also built a new outdoor classroom located in the central area of the campus. A new school marquee has been approved by CVUSD and was built as an Eagle Scout project for the school in the Spring of 2017. All campus modifications were done in conjunction with Conejo Valley Unified School District. We are in process of conducting an audit of our current electrical needs.

The multi-purpose room was repainted in the fall of 2017 and wired with a new modern sound system.

Gender inclusive signage has been posted on all of our single stall restrooms.

Old lighting was replaced with more cost-effective energy efficient LED lighting throughout the campus in December of 2017.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: June 2017

		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	66	67	44	43	48	48
Math	58	47	35	31	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	97	83	85.6	80.7
Male	47	38	80.9	73.7
Female	50	45	90.0	86.7
Hispanic or Latino	20	17	85.0	64.7
White	71	61	85.9	86.9
Socioeconomically Disadvantaged	19	19	100.0	57.9

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	69	81	10	47	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	5.6	33.3	55.6
7	20	10	65

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	264	237	89.77	66.67
Male	138	123	89.13	59.35
Female	126	114	90.48	74.56
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Hispanic or Latino	47	44	93.62	54.55
White	196	176	89.8	69.32
Two or More Races	12	9	75	66.67
Socioeconomically Disadvantaged	31	29	93.55	65.52
English Learners	12	11	91.67	45.45
Students with Disabilities	37	31	83.78	29.03

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	264	233	88.26	46.98
Male	138	119	86.23	48.74
Female	126	114	90.48	45.13
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Hispanic or Latino	47	44	93.62	34.09
White	196	172	87.76	48.54
Two or More Races	12	9	75	55.56
Socioeconomically Disadvantaged	31	29	93.55	39.29
English Learners	12	11	91.67	27.27
Students with Disabilities	37	31	83.78	22.58

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent Advisory Council (PAC) – Equivalent to a PTA, the PAC consists of an advisory board group of five elected parents and Parent Managed Cohorts, known as PMCs. We have had 24 parent representatives serve on our PAC since its inception in 2010. All parents are welcomed and encouraged to participate in discussions, ideas, fiscal spending, and much more. Every family is entitled a vote on specific items. In the 2016-6-1017 fiscal year, the PAC raised over \$80,000 through events such as our Silent Auction, Olympics & Afterparty, Yard Sales, and Food Sales.

PAC website: [Http://www.bridgespac.org](http://www.bridgespac.org)

Parent Managed Cohorts (PMC) – Small parent-led committees established to focus on specific needs of our school community. Parents with similar interests and skills have formed cohorts that manage most of the school's non-administrative functions. Examples of PMC include Art, Community, Outreach, Food, Fundraising, Garden , Grantwriting, Green Team, Library, and Performing Arts.

The Community Outreach PMC partners with the school to bring important information to potential families and students. Parents are involved by helping with Thousand Oaks Rotary Street Fair, T.O. Library Display Case, and Arbor/Earth Day Celebration at Conejo Creek Park.

The Fundraising PMC holds the following events recruiting parents for each activity: Annual Silent and Live Auction, Magic Show, Talent Show, Spirit Wear Sales, Pizza Fridays, Popcorn Sales, Olympics Triathlon and Annual "After-Party".

The Garden PMC has various volunteer opportunities such as taking kids to the garden, planting drought-tolerant grasses and trees, being a tile helper in the outdoor classroom, monitoring compost bins, daily/weekly upkeep of the gardens, and installing shelving in the garden shed.

The Library PMC offers several opportunities to be involved by helping during a class, reshelving books, donating books, or even working a book fair in the fall or spring.

The Performing Arts PMC welcomes all parents to help with baking cookies, setting up chairs, sewing costumes, constructing and painting sets, teaching dances, advertising performances, and soliciting sponsors in our community.

Classroom Volunteers – Each family is asked to commit 2 ½ hours a week toward volunteer activities. There are numerous ways to support Bridges Charter School, whether it be in the classroom, volunteering at fundraising events and community activities, or donating goods or funds. Each classroom has a room parent that helps coordinate classroom volunteering. Over the past year we have had solid parent participation in areas of classroom assistance, fundraising, campus beautification, and project preparation.

Volunteer Procedures: <http://bridgescharter.org/volunteer-procedures/>

Committees and Task Force - (budget, technology, hiring) Parents are recruited to serve on committees to work through specific areas of identified need. They are asked to give input and make recommendations to the director on issues impacting student learning.

Parent Survey - An end of the year survey is offered each year. This anonymous survey allows parents to give feedback on aspects of the school and community. Responses are carefully considered for their potential impact on our future school policies, procedures, and climate.

Parent orientation meetings held in August of 2017 for current and new families to introduce new attendance policies, discipline behavior contract, parent volunteer procedures, as well as how to login into the new campus security system, LobbyGuard.

Parent Education Classes being conducted by the Director in the fall of 2017 beginning in October with an emphasis on child development.

Each classroom teacher held a back-to-school orientation with parents to discuss opportunities to engage in the classroom and to review classroom expectation and procedures when volunteering.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Bridges comprehensive School Safety Plan is currently under revision. Numerous policies related to the School Safety Plan are being updated and presented to the Board for their consideration. To date, training for all staff has been completed in the areas of mandated reporting, bloodborne pathogens, epi-pen administration as well as cyber-bullying and suicide prevention. Disaster preparedness drills, lock-down drills, and fire drills are scheduled and will be held. A new school-wide discipline plan which includes a behavior contract is being implemented. The plan includes effective classroom management strategies, positive playground standards, and school attendance expectations, along with criteria for suspensions and expulsions. The new Family Handbook now reflects these safety practices.

By April 1, faculty and parent representatives will review the revised School Safety Plan for final input and presentation to the Board for adoption.

LobbyGuard has been purchased and installed as a school safety security system. The Lobbyguard Kiosk is anticipated to save time while keeping our students safe. The system scans and checks visitors and alerts office staff of potential registered sex offenders.

Fire drill and exit maps are reviewed with students and staff and posted on campus in each classroom September of each calendar year.

Successful participation in the ShakeOut Drill October 19, 2016, and October 19, 2017.

Monthly fire drills conducted. Policies and procedures reviewed at faculty meetings with a discussion on areas of improvement.

Exposure Control Plan reviewed 1/6/17. Classroom one-use kit with instructions provided to teachers along with the procedure for handling bodily fluids in the classroom.

Family Handbook updated, reviewed, and the board approved on 8-21-17. Policies including dress code, bullying/cyberbullying, and harassment, as well as rules and procedures on school discipline, were reviewed at staff meetings in August 2017. Student Handbook has been posted online and given to each family in hard copy. Playground Rules are posted and reviewed with students during homeroom and on an on-going basis. Whole staff training on conflict resolution as well as all campus discipline policies and procedures reviewed at back to school staff development.

Adopted Board Policy on Sexual Harassment on 12-5-16

Adopted Board Policy on Tobacco-Free Schools 1-9-17

Adopted Board Policy on Suicide Prevention Fall 2017

Adopted Board Policy on Hot Weather Conditions Fall 2017

Adopted Board Policy on Harassment Intimidation and Discrimination and Bullying

Adopted Acceptable Use and Internet Safety Policy

Purchased GoGuardian - GoGuardian provides Chromebook management solutions that keep students safer online and allows our teachers the ability to manage and monitor student access on the web.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	2.1	1.6	2.0
Expulsions Rate	0.0	0.0	0.0
District	2014-15	2015-16	2016-17
Suspensions Rate	3.9	2.7	4.2
Expulsions Rate	0.0	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program

6	26	32	24			1	3	1	3			

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Continued staff development on Lucy Calkins Readers and Writers Workshop to support the new Common Core Standards and writing across the curriculum. Three teachers attended a week-long conference bringing back information that was shared out with staff in a faculty meeting in September 2016.

The faculty has been working on benchmark assessments and vertical alignment. Staff continued their collaborative efforts in both math and reading to calibrate student achievement data and refine instructional practices. Staff participated in an onsite training in the use of EADMS - Educator's Assessment Data Management System (1 full day). Two follow up sessions were held (1 hour each) during Friday staff meetings to review data collection, data input, and disaggregation in EADMS.

Science and math teachers continued their participation in county-wide consortium exploring math and science curriculum and instruction. (2 meetings per semester - 1 hour each)

A science consultant was hired to work on NGSS standards with the CORE Science teacher (16 hours) onsite. The consultant will facilitate (6 hours) staff development onsite with grades k-8 using new STEMscopes materials.

Teachers are provided opportunities to observe each other in an ongoing effort to align best instructional practices.

Other professional development opportunities for staff members included attendance at California Charter Schools Association annual conference, California Science conference, California School Board Members Association annual conference, Association of California School Administrators annual conference and various Ventura County Schools workshops.

New teacher support was provided through BTSA - new teacher induction program and onsite mentoring were provided. (year-long support) Each inductee and each mentor attends 2 professional development trainings in fall and two in the spring 2 hours each. Each new teacher is provided with a mentor on campus to help them through the induction program and to help support them in their needs as a first-year teacher at Bridges

Individual teacher observation and evaluation process occur annually. Collegial coaching, and goal setting meetings with administration occur throughout the year. Each teacher meets with an administrator after completing a self-evaluation. Goals and objectives are discussed in a pre-conference as well student data and performance. Administration observes teachers on a formal and informal basis and will review with each teacher at a post-conference giving them feedback on areas of strength and any areas that may need improvement. Any teacher needing individual growth through professional development will be addressed through these conferences.

Future campus goals include extending the study and use of the data management system, development and implementation of technology standards within each grade level, and more interactive learning opportunities for staff members.

Campus-wide staff development was held in the fall of 2017 centered around conflict resolution and whole-child learning. Staff participated in counsel and circle training as well. Faculty will continue to advance their practice of circle and counsel by implementing a circle at each faculty meeting throughout the year.

For the school year 2017-2018 the campus budgeted for each teacher to be able to individually select one area of growth and attend a professional development training of their choice. Each teacher met with the director to discuss their year-long goals. Staff then proposed the professional development to the director for approval to be sure it aligned with their goals for the year.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (ES)		
Average Principal Salary (MS)		
Average Principal Salary (HS)		
Superintendent Salary		
Percent of District Budget		
Teacher Salaries		
Administrative Salaries		

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

Campus-wide common assessments in Math, Reading, and Writing were implemented k-8. Student data was reviewed with parents as well as with the school psychologist, resource specialist and speech therapist as needed. Student Support Teams met weekly to discuss and implement additional strategies for struggling students. Any needs for additional testing or assessment were considered during an SST. Weekly social skills classes are offered on a pull-out basis by the school counselor. Students identified on a needs basis meet weekly either on an individual basis or in a small group to further improve on social skill interactions. Speech Therapist meets weekly to work with students identified in need of articulation intervention. Upon receiving results from the CELDT and review of a student's current academic performance a student is referred to the school speech therapist for intensive weekly language intervention as needed.

Grades k-1 provide students with additional literacy instruction in the afternoon once a week for 30 minutes as needed. Kindergarten teachers provide small group intensive instruction to those students identified by the primary grade teachers as at risk beginning in January of each year. Grades 2-5 have the option to meet after school with their teachers for additional support in both math and reading. Read Live is the online version of Read Naturally. <https://www.readnaturally.com/>

Read Live is intervention in vocabulary, fluency, and comprehension skills. The program places students then provides stories to practice. The student does a "cold" read for a teacher then practices the story by reading aloud and asking varying levels of comprehension questions and a retelling. The student then does a "hot" read for the teacher and the teacher grades their retell and responses and responds accordingly by assigning more practice or the next story. It is most beneficial when done multiple times a week for about 30 minutes.

FY 2015-16 Expenditures Per Pupil and School Site Teacher Salaries

Based on Guided Reading Assessments, we also identified students who were at least a year below grade level. A part-time reading intervention specialist was hired beginning the fall of 2017. We provided extra support in small groups with an intervention specialist for 30 minutes 1-2 times per week.

CORE grades 6-8 have built-in intervention classes via the elective programs. Students identified as at risk had one of their elective classes replaced with a seminar class in which the students received additional instruction in targeted small groups in the areas of math, writing or reading.

As part of Bridges social and emotional education program, a monthly workshop for all middle school students is offered that focuses on emotional wellness. The sessions are directed towards raising emotional awareness, developing healthy coping tools for managing feelings, managing media messages, improving body image, communication skills and other issues that may emerge.

A part-time counselor was added to our staff. An SST (student study team) process was implemented to refer students identified as in need or at risk of intervention through counseling services. Counseling services began in March of 2017 and continued for the calendar school year 2017-2018.

A campus-wide Social and Emotional Curriculum was adopted to support the needs of our campus which aligned with our mission and vision of our school. Monthly assemblies scheduled centered around social-emotional learning.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
