

# WELCOME TO AP WORLD HISTORY

- For the summer reading I will need you to purchase the study book “Cracking the AP World History Exam” by the Princeton Review 2017 edition. Please make sure you get the 2017 edition because the test has been recently changed.
- Over summer read chapters 6 and 7 from the “Cracking the AP World History Exam.” Chapter 6 is technological and environmental transformations to 600 BCE. Chapter 7 is organization and reorganization of human societies 600 BCE to 600 CE. Those are the first two time periods we will cover during the first month of school.
- You will be tested on these two chapters within the first week I see you. Most likely on day two in the class room.

If you have any questions or concerns email me at [marni.druck@leus.k12.ca.us](mailto:marni.druck@leus.k12.ca.us) or come see me in room 324.

Have a great summer!
