

# SAINT MARK S C H O O L

## **PICTURE DAY :**

Picture Day is tomorrow! Dress uniform! Please wear the navy sweater. And, if for some reason you do not have a blue cardigan/pullover, please wear the blue vest.

Payment: You can pay online and print your receipt or bring payment, if you have done so already, tomorrow. Pictures are optional; all students will receive an id card.

If you paid with coins and some bills we need to know who you are! We received an envelope with coins and some bills last week and we were unable to identify the family. Please contact the office!

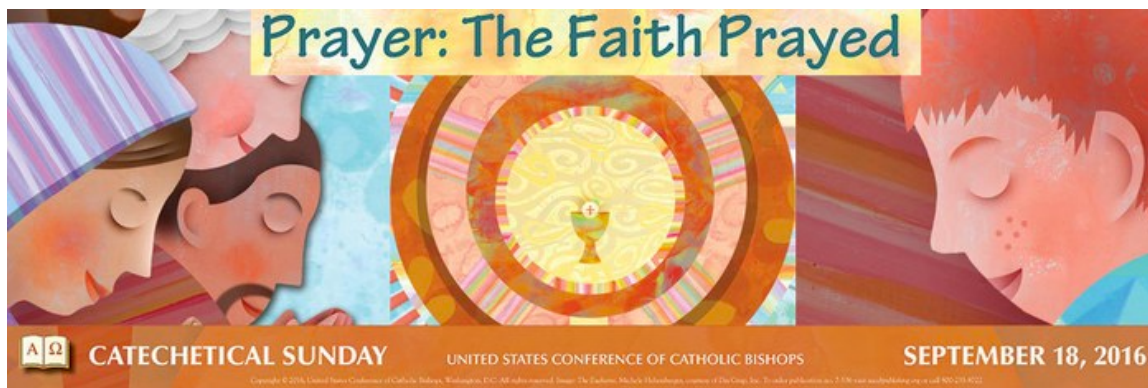

## **PICTURE DAY FOR REGULAR SCHOOL VOLUNTEERS:**

If you volunteer regularly, we would like to provide a volunteer photo id for you!

Between 7:45 AM and 8:45 we can accommodate you! Please take advantage of this opportunity to have your own personal badge! Thanks so much!

## **CATECHETICAL SUNDAY:**

We want to share this Sunday, September 18, 2016, 9:00 AM mass with you and your family! Catechetical Sunday is celebrated at parishes nationwide, celebrating and commissioning those charged with the faith and formation of others in the parish community (teachers and volunteer catechists). There is also a special blessing for you parents, the first teacher and catechist of your child!

**STATE OF THE SCHOOL:**

We are so grateful to the parents who attended State of the School and to PAC for hosting the reception! It was a wonderful evening and a great opportunity to share with over one hundred families the school's vision for now and into the future. Please see the link below to our Education Fund page. We appreciate your participation and support! We will send a video link of the presentation as soon as possible, likely next week! Visit the Education Fund Page

**SURVEY:**

We want to know what you think! We want to know about your uniform experience with Land's End and your thoughts about social media and how we can best reach you! Please take the survey, NOW. That way we can be as responsive as possible to your ideas and concerns.
