Realtime Mobile Grades and Attendance App

Dear **Parents** and **Guardians**,

We are excited to offer a new way for you to get direct access to your child's **GRADES** and **ATTENDANCE**.

We encourage you to check out the free *Realtime Link for Parents* App! This mobile app will not replace "Parent Portal," but will instead streamline your access to important information about your child. Follow these steps to gain access to this great feature.

Step One: Check to make sure that your Parent Portal login is set up and that you can log in to Parent Portal.

Step Two: Go to Apple App Store or Android Playstore and download "**Realtime Link for Parents**."

Step Three: Start the App. Log in with District Code (**3980**) and Portal Code, Portal Username, and Portal Password.

Step Four: Select your child(ren), enable notifications, and allow notifications.

Step Five: Select the type of notifications you wish to receive.

******If you need any help with any aspect of this, please reach out to us so we can offer our assistance.******
