

**R realizing Individual Student Excellence!**

# R.I.S.E.

**Hello Families,**

**We are excited to announce RISE, a program we are implementing to support all students with their academic success.**

**RISE is a program that will allow students extended time to complete assignments, get help in areas that are a struggle, and ensure a successful academic year. Students will be assigned a RISE session if they have not completed a class assignment. We will host morning and afternoon sessions that will run Tuesday, Wednesday, and Thursdays. We will hold morning sessions from 7:00-7:30 am and afternoon sessions from 3:00-3:30 pm. If your student does not complete the assignment within one of the three RISE sessions, they will attend a Friday session held during the school day. Our intention is to help students achieve academic success. For more information, please refer to the program matrix sent home with your student.**
