AzMERIT Family Report Guide

Maria's Performance on the Math Assessment

Maria took the AZMERIT Grade 5 Math assessment in Spring 2017. The questions in this assessment measure the knowledge and skills taught in this grade and subject area. Maria's score shows how well she understands Grade 5 Math content. A student who scores Level 3 (Proficient), Level 4 (Highly Proficient), or Level 5 (Elitely Proficient) on AzMERIT is likely to be ready for the next grade level of Math.

Barrel Chart

This “barrel chart” shows the range of scores and the four performance levels possible on this test. Your student’s numeric score is shown along with the averages for your student’s school, district, and the state of Arizona.

Performance Levels

Your student’s performance level is identified in this box. There are four performance levels that describe the general skills and abilities for students who take the AzMERIT. Students who score Level 3 (Proficient) or Level 4 (Highly Proficient) on AzMERIT are likely to be ready for the next grade or course. Students who score Level 2 (Partially Proficient) or Level 1 (Minimally Proficient) are likely to need support to be ready for the next grade or course.

Scoring Categories

Each test has three or more scoring categories that describe the content of different parts of the test.

Mastery Levels

Your student’s ability level for each of these scoring categories is indicated. Students with the symbol + or ✓ show a good understanding of the content covered in this scoring category. Students with the symbol ! likely need more support with the content covered in this scoring category.
